

## Sara Thatcher Joins Our Team

10-1-09

Goff & Howard welcomes Sara Thatcher to our writing team. An Edina native, Sara is a recent graduate of St. Olaf College in Northfield and spent the past several months at CaringBridge, assisting with writing, marketing, and media relations.

She joins Tricia Nissen on the G&H writing team, which helps create Web sites, news releases, speeches, legislative testimony, communications plans, and other materials for our clients. Our writers are also part of a broader team of editors and proofreaders who help ensure that our writing efforts are consistently crisp, creative, meaningful and strategic.

Welcome, Sara!
